LET'S TALK LONELINESS

Loneliness Awareness Week (LAW) 2019 brings together over 300 organisations across the UK with the Marmalade Trust - the UK's loneliness charity for all ages.

Our vision is to create a society where people freely acknowledge that loneliness can exist, and will actively support those experiencing it to make new friendships.

One of the first steps to achieve that is to reduce the stigma around loneliness - our theme for LAW 2019.

YOU CAN HELP BY PLEDGING TO:

- Share and like our social media post:
"It's ok to be lonely"
- Have a conversation about loneliness.
- Get involved in an event.
- Donate to help us do more.
